Password

☐ Remember my username

[Forgot password or PIN?](#) [Token lost or damaged?](#)

- The system will require you create a new password
 - Ensure your password follows the provided criteria
 - Confirm your new password in the **Confirm new password** field and select **Continue**
- ***The password will expire and will be required to be changed every 180 days***

Change password

Your password helps prevent unauthorized people from logging into online banking. Changing it periodically keeps your accounts secure.

Complete the following to change your password.

Your new password must include:

- Between 9 and 17 characters
- At least 1 number
- At least 1 uppercase letter
- At least 1 lowercase letter
- At least 1 special character

New password *

Confirm new password *

* Indicates required field

Continue

Non-Token Users:

- Setup challenge questions by providing answers to the given questions
 - The questions can be changed by selecting the question dropdown
- Once all questions are answered, select **Continue**

Set up challenge questions

If you are logging in on a public device or a different device than usual, you can answer a challenge question to prove your identity and proceed.

Complete the following to set up your challenge questions.

First challenge question *

What is your father's middle name?

First answer *

SHOW

Second challenge question *

What is your maternal grandfather's first name?

Second answer *

SHOW

Third challenge question *

What is your favorite song?

Third answer *

SHOW

* Indicates required field

Continue

Token Users:

- To activate your token complete the following steps:
 1. Select **Begin Activation** in Business Banking Online
 2. Business Banking Online will display an image along with the Device code and Device nickname field.
 3. Select Begin Activation on your DIGIPASS app and scan the image displayed in BBO, once successfully scanned your device will display a device code.
 4. In the Device code field that is displayed in Business Banking Online, type the device code (maximum 27 characters) that displays on your device.
 5. In the Device nickname field, type the device nickname (maximum 40 characters) that you want to create. This device nickname acts as an identity for your device.
 6. In the Create a PIN field, input a four-digit numeric PIN of your choice. This will be used as a portion of your password.
 7. In the Security question field, choose a security question and type your answer.
 8. Select Continue

Activate token

Tokens help to prevent unauthorized people from logging into online banking or doing things like making payments by generating a code that must be entered into online banking along with a personal identification number (PIN) that you will define.

Use the app on your device to scan the image below and enter the device code displayed.

Accounts

- Displays your list of accounts and their available balances

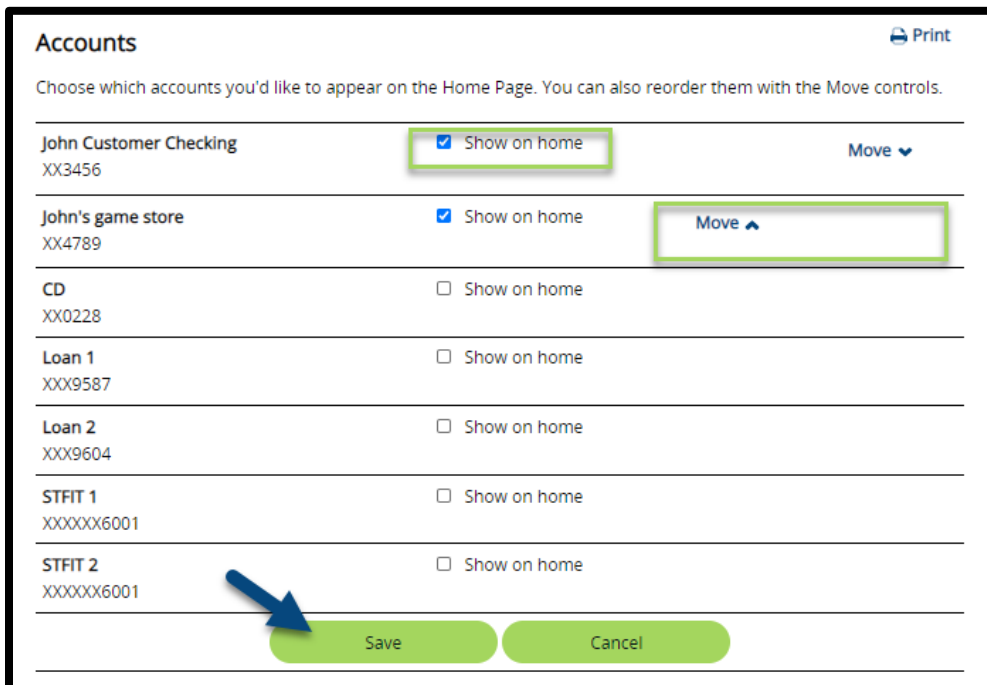

The screenshot shows the UBT (Union Bank & Trust) Accounts page. At the top, there are navigation links: Home, Accounts, Payments & transfers, and Checks & deposits. Below the navigation bar, the 'Accounts' section is displayed. It includes a table with two accounts: 'John Customer Checking' (XX3456) with an available balance of \$47.16, and 'John's game store' (XX4789) with an available balance of \$16.68. Each account has a 'Recent' dropdown menu. At the bottom of the table, there is a link to 'Show all accounts'.

Account Name	Account ID	Available balance	Recent
John Customer Checking	XX3456	\$47.16	Recent ▼
John's game store	XX4789	\$16.68	Recent ▼

[Show all accounts ▼](#)

- To edit the list of accounts displayed, select **Edit Accounts**
 - Check the box(es) of the accounts you wish to display on your home page
 - Re-order accounts using the move buttons next to each account
 - Select **Save**

The screenshot shows the 'Edit Accounts' page. It allows users to choose which accounts appear on the Home Page and reorder them. The table lists several accounts: 'John Customer Checking' (XX3456), 'John's game store' (XX4789), 'CD' (XX0228), 'Loan 1' (XXX9587), 'Loan 2' (XXX9604), 'STFIT 1' (XXXXXX6001), and 'STFIT 2' (XXXXXX6001). Each account has a checkbox to 'Show on home' and a 'Move' button. The 'Save' button is highlighted with a blue arrow.

Account Name	Account ID	Show on home	Move
John Customer Checking	XX3456	<input checked="" type="checkbox"/>	Move ▼
John's game store	XX4789	<input checked="" type="checkbox"/>	Move ▲
CD	XX0228	<input type="checkbox"/>

- **Wire**

- Complete the below transfer options to send a wire transfer:
 1. **Template name:** If applicable select the template dropdown to choose a wire transfer template
 2. **Date:** Select the date you wish the transfer to take place
 3. **Amount:** Input the amount of the wire you wish to send
- Select Preview transfer to review the transfer

The image shows a 'Wire' form with a green header bar containing the title 'Wire' and a 'Hide' button with an upward arrow. The form contains three required fields, each marked with a red asterisk: 'Template name' with a dropdown menu showing 'Domestic Test' (labeled with a blue circle and '1'), 'Date' with a date picker showing '10/5/2020' and a 'SELECT' button (labeled with a blue circle and '2'), and 'Amount' with a text input showing '1.00' (labeled with a blue circle and '3'). Below these fields is a note: '* Indicates required field'. At the bottom is a green button labeled 'Preview wire' with a blue arrow pointing to it.

- Review the wire transfer and select **Complete wire** to send or schedule the transfer

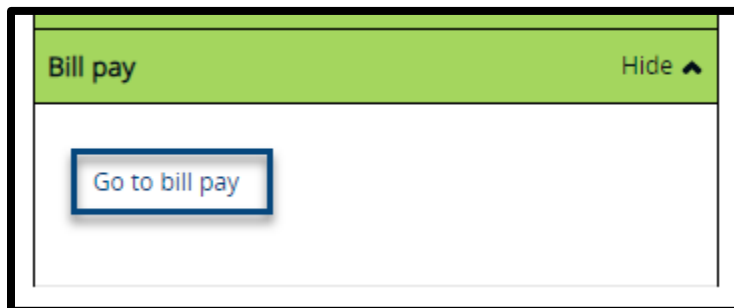

Wire transfers require a secondary approval before being sent

The image shows a 'Wire' review form with a green header bar containing the title 'Wire' and a 'Hide' button with an upward arrow. The form displays the following details: 'Description' (Domestic Test), 'Date' (Oct 05, 2020), 'Amount' (\$1.00), 'Funding account' (John's game store XX4789), and 'Beneficiary' (test). Below the beneficiary name are two fields: 'DDA Account Number' (423) and 'Fed Routing Number' (173). At the bottom are three green buttons: 'Complete wire' (with a blue arrow pointing to it), 'Edit', and 'Cancel'.

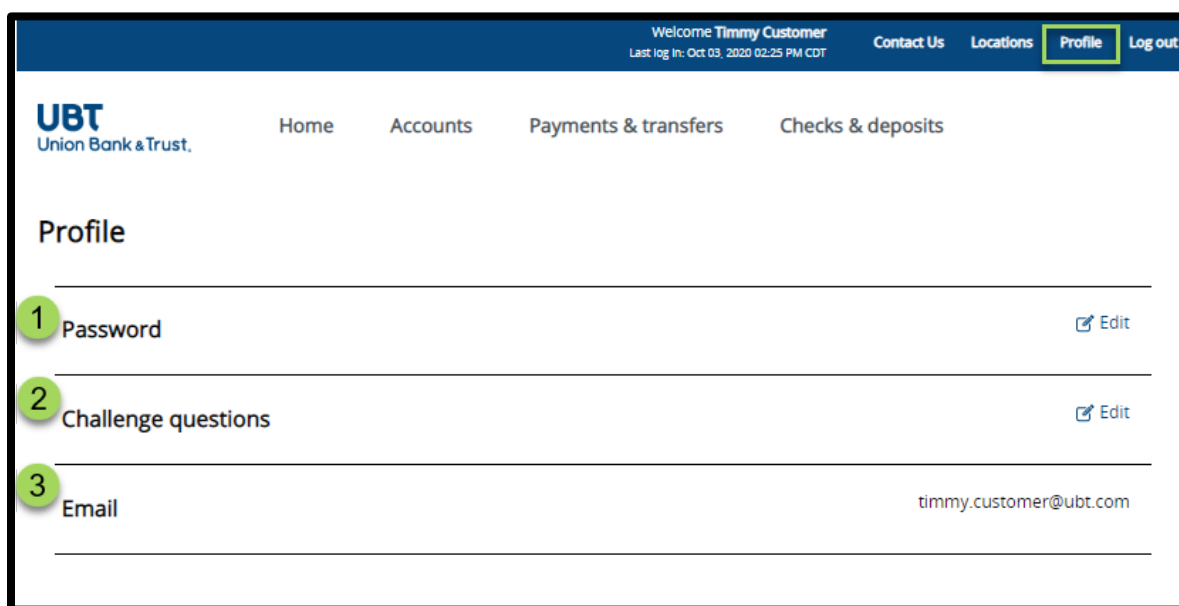

- **Billpay**

1. Select **Go to Bill Pay** to launch the Business Bill Pay site

Profile

- Select **Profile** in the top menu of your Business Banking online profile
 1. Select **Edit** next to **Password** to change your current password
 - Token users will be able to enable their token or change their PIN
 2. Select **Edit** next to **Challenge Questions** to edit your security questions
 3. **Email** verifies your current email on file

Accounts

- Select the **Accounts** menu option to open the accounts overview page
- The accounts overview page displays your entire listing of accounts categorized by assets and liabilities
- Select any account to open the account details page
