I. GENERAL TERMS AND CONDITIONS

- A. **Entire Agreement.** This Agreement (including each applicable addendum, schedule, appendix, authorization, or other document delivered or made available by the Bank to the Customer) together with the agreement relating to the Customer's deposit account with Bank "Account Agreement", is the complete and exclusive statement of the agreement between the Bank and Customer with respect to the subject matter hereof and supersedes any prior agreement(s). In the event of any inconsistency between the terms of this Agreement and the Account Agreement, the terms of this Agreement shall govern. Each section below shall be read as a separate agreement between the parties. In the event a section is silent, the provisions of these general Terms and Conditions shall govern. If there is an inconsistency between one of the below-drafted sections, and this section, the language of the below-drafted section shall govern.
- B. **Terms and Conditions.** This Agreement contains the Terms and Conditions for several different services. Only the Terms and Conditions of the Services for which the Customer authorized or utilizes shall apply to the Customer, with the exception of these General Terms and Conditions, which shall apply to all Services. If a Customer utilizes any of the below-described services, it is agreeing to the terms and conditions of that Service as described below.
- C. **Compliance with Laws and Regulations.** In the event performance of the Services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which the Bank is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy, and Bank shall incur no liability to Customer as a result of such violation or amendment. No course of dealing between the Bank and the Customer will constitute a modification of this Agreement, the *Rules*, as defined below, or the security procedures or constitute an agreement between the Bank and Customer regardless of whatever practices and procedures Bank and Customer may use. For purposes of this Agreement, unless otherwise stated, the term "Customer" shall refer to a business client of Union Bank & Trust Company (whether a corporation, limited liability company, limited or general partnership, sole proprietorship, or other legal entity) who maintains a deposit account ("Account") for business purposes and uses or executes any authorization of these Services included in this Agreement. "Bank" shall refer to Union Bank & Trust Company.
- D. **Liability; Limitations on Liability; Indemnity.**
1. In the performance of the Services, the Bank shall be entitled to rely solely on the information, instructions, representations, and warranties provided by Customer or Customer's agents, and shall not be responsible for investigating or confirming the accuracy or completeness thereof. Customer agrees to promptly review all bank and card statements and promptly notify the Bank of any problems or concerns.
 2. The Bank shall be responsible only for performing the Services expressly provided for in this Agreement and shall be liable only for its gross negligence or willful misconduct in performing those Services.

3. Bank is not liable for: Any modifications or changes to any Software utilized as part of this Agreement, made by Customer or any third party within the control or on behalf of Customer, any misuse of the Software by Customer or any third party within the control or on behalf of Customer, or the failure by Customer to comply with applicable state and federal laws and regulations; any claims relating to the improper use or reproduction of any information retained or viewed by the Customer, its agents, or employees, any claims relating to the Customer's failure to safeguard or prevent the unauthorized use or reproduction of any of data or information collected, stored, transmitted or otherwise used as a part of this Agreement.
 4. Bank shall neither be held responsible for nor incur any liability for any computer errors or malfunctions that are related in any way to the Customer's computer systems or programs, or for any costs associated with updating, modifying, or terminating the Services.
 5. Bank is not responsible for any unauthorized actions initiated or caused by Customer or its employees or agents, or for any incorrect information provided to Bank and entered by Customer or its employees or agents. The Bank shall not be responsible for the Customer acts or omissions (including without limitation the amount, accuracy, timeliness of transmittal or due authorization of any entry received from the Customer) or those of any other person or entity. Customer agrees to indemnify the Bank against any loss, liability, or expense (including attorneys' fees and expenses) resulting from any claim of any person that the Bank is responsible for any act of omission by the Customer, or any other person described in this Section.
 6. Bank shall neither be held responsible for nor incur any liability for any damages, costs or other consequences caused by or related to Bank actions that are based on information or instructions that Customer provides to Bank.
 7. Bank shall neither be held responsible for nor incur any liability for any damages, costs or other consequence caused by the failure of third persons or vendors to perform satisfactorily, other than persons to whom Bank has delegated the performance of specific obligations provided in this Agreement or for any refusal of a Payor Financial Institution (as defined below) to pay an Electronic Item (as defined below) or Substitute Check (as defined below) for any reason (other than the breach of contract, negligence or willful misconduct of Bank), including without limitation that the Check, Electronic Item or Substitute Check was allegedly unauthorized, was a counterfeit, had been altered, or had a forged signature.
 8. The Bank shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission or communication facilities, equipment failure, war, emergency conditions, Federal Reserve Bank risk control or any other rules, or regulations, or equivalent of any U.S. governmental regulatory authority.
 9. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, BANK'S AGGREGATE LIABILITY TO CUSTOMER FOR CLAIMS RELATING TO THIS AGREEMENT, WHETHER FOR BREACH, NEGLIGENCE, INFRINGEMENT, IN TORT OR OTHERWISE, AND ARISING DURING ANY TWELVE-MONTH PERIOD SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE TOTAL FEES PAID BY CUSTOMER TO BANK FOR SUCH TWELVE-MONTH PERIOD.
 10. IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES, OR ANY LOST PROFITS OR LOSS OF ANY OPPORTUNITY OR GOOD WILL, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- E. Acknowledgment of Limitation of Liability. Bank and Customer acknowledge and agree that the limitations of liability in this Agreement are a bargained for allocation of risk and liability and agree to respect such allocation of risk and liability. Each party acknowledges and agrees that the other party would not enter into this agreement, without the limitations of liability set forth in this section. The Customer agrees to hold the Bank harmless from any loss or damage resulting from Customer's breach of this Agreement, or Customer's negligence, or any loss or damage arising from the unauthorized, fraudulent, or dishonest acts by Customer's current and/or former authorized users, agents, contractors, or employees.

- G. Fees. Customer will pay Bank the set-up and service fees as set forth in Business Accounts Fee Schedule. Notice of changes to these fees or requirements will be provided as is required by law, or if there is no specific requirement of law, Bank will take reasonable steps calculated to provide notice to Customer. Customer shall be responsible for and pay all sales and other taxes applicable to this Agreement and

imposed by any governmental authority, including without limitation any sales, use, and other taxes associated with the Services. Bank may charge to the Account all fees and taxes imposed on Bank that are the responsibility of Customer.

- R. Construction and Interpretation. Section headings used herein are for the convenience of reference only and shall not affect the meaning or interpretation of this Agreement. This Agreement shall be deemed to have been drafted by both parties, and in the event of dispute, no party shall be entitled to claim that any provision hereof should be construed against the other party by reason of the fact that it was drafted by any particular party. The failure of either party to enforce any rights granted under this Agreement or to take action against the other party in the event of any breach shall not be considered a waiver of that right or breach unless the waiver has been reduced to writing and signed by the waiving party. If a party effectively waives a right or breach, that waiver will not constitute a waiver of any other right or breach or of a subsequent breach of the same obligation. If any provision of this Agreement is held invalid, illegal, or unenforceable in any particular jurisdiction or circumstance, the remaining provisions of this Agreement shall remain valid and enforceable in such jurisdiction or circumstance, and such provision shall remain valid and enforceable in any other jurisdiction or circumstance.
- S. Security Interest. Customer grants Bank a security interest in all the Customer's Accounts, as security for the performance of Customer obligations hereunder.

- U. Relationship Between Parties. This Agreement will not be construed as creating an agency, partnership, joint venture, or any other form of association, for tax purposes or otherwise, between the parties, and the parties will at all times be and remain independent contractors. Except as expressly agreed by the parties in writing, neither party will have any right or authority, express or implied, to assume or create any obligation of any kind, or to make any representation or warranty, on behalf of the other party or to bind the other party in any respect whatsoever.
- V. Notices, Instructions, Etc.
1. Notices: All notices permitted or required under this Agreement will be in writing and will be deemed given upon actual delivery. Any notice addressed to the Bank should be as follows:

The names and signatures of Authorized Representatives are set forth in the appropriate addendum, schedule, appendix, authorization, or other document delivered or made available by the Bank to the Customer to be completed prior to utilizing the Service. The Customer may add or delete any Authorized Representative by written notice or electronic instructions to the Bank. Such notice shall be effective after Bank has had reasonable opportunity to act upon the request.
- W. Waiver. The failure of either party to insist upon the performance of any terms or conditions of this Agreement or to exercise any right or privilege conferred in this Agreement or to enforce penalties resulting from breach of any of the terms or conditions of this Agreement, shall not be construed as waiving any such terms, conditions, rights, or privileges, but the same shall continue and remain in full force and effect as if no such forbearance or failure had occurred.

This Agreement, each applicable addendum, schedule, appendix, authorization or other document delivered or made available by the Bank to the Customer to this Agreement (as may be amended from time to time), and the Account Agreement constitute the entire agreement between Customer and Bank with respect to the subject matter hereof, supersede any prior agreements between Bank and Customer with respect to the subject matter hereof, and shall be binding upon Bank, Customer and their respective successors and permissible assigns. In the event of any inconsistency between this Agreement and the Documentation or any Account Agreement, this Agreement will govern.
- Y. Force Majeure. Except for the obligation to make payments, nonperformance by either party will be excused to the extent performance is prevented or delayed due to causes beyond such party's reasonable control and without its negligent or willful misconduct, including without limitation acts of God, natural disasters, terrorist acts, war or other hostilities, labor disputes, civil disturbances, governmental acts, orders or regulations, third party nonperformance or failures or fluctuations in electrical power, heat, light, air conditioning or telecommunications equipment.

1. NACHA Operating Rules and Guidelines. The Customer has access to a copy of the *Rules*, acknowledges receipt of a copy, or may purchase a copy if they so desire. The Customer agrees to comply with and be bound by the *Rules*. In the event the Customer violates any of the applicable *Rules* and NACHA imposes a fine on the Bank because of the Customer's violation, the Bank may charge the fine to the Customer. The Bank agrees to inform the Customer of revisions to the *Rules* of which the Bank has knowledge.
2. U.S. Law. It shall be the responsibility of the Customer to ensure the origination of ACH transactions complies with U.S. law.
3. Applicable law. As stated above, this Agreement shall be governed by the laws of the State of Nebraska. Customer consents to venue in Lancaster County, Nebraska.
4. Security Procedures.
 - a. The Customer and the Bank shall comply with the security procedure requirements to be provided to Customer with respect to Entries transmitted by the Customer to the Bank. The Customer acknowledges the purpose of such security procedures is to verify authenticity and not to detect an error in the transmission or content of an Entry. No security procedures have been agreed upon between the Bank and the Customer for the detection of any such error. The Customer agrees the Bank's security procedures are commercially reasonable.
 - b. The Customer is strictly responsible for establishing and maintaining commercially reasonable security measures to safeguard against unauthorized transmissions, network infections, and breaches of Protected Information (i.e., non-public data). The Customer warrants that such measures will include, but not be limited to, security technology (e.g., secure web-servers) that provides a commercially reasonable level of encryption technology for the entry and transmission of Entries over the Internet, and network security to safeguard account information and access from unauthorized parties. The applicable addendum, schedule, appendix, authorization, or other document delivered or made available by the Bank to the Customer will later be sent to Customer that outlines additional requirements. Additionally, the Customer warrants that no individual will be allowed to initiate transfers in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of security procedures and any passwords, codes, security devices and related instructions provided by the Bank in connection with the security procedures detailed in each applicable addendum, schedule, appendix, authorization or other document delivered or made available by the Bank to the Customer to be sent to Customer. If the Customer suspects that any information or instructions are accessed by unauthorized persons, the Customer will notify the Bank immediately. The occurrence of unauthorized access will not affect any transfers made in good faith by Bank prior to receipt of notification and within a reasonable period to prevent unauthorized transfers.
5. Processing, Transmittal and Settlement by Bank.
 - a. Except as provided in Section 4, the Bank shall (i) process Entries received from the Customer to conform with the file specifications set forth in the *Rules*, (ii) transmit such Entries as an Originating Depository Financial Institution to the Federal Reserve (the "ACH Operator"), and (iii) settle for such Entries as provided in the *Rules*.
 - b. The Bank shall transmit such Entries to the ACH Operator by the deadline, according to procedures sent to Customer, two Business Days prior to the Effective Entry Date shown in such Entries, provided (i) such Entries are received by the Bank's related cut-off time set forth in procedures to be sent to Customer on a Business Day, (ii) the Effective Entry Date is at least two days after such Business Day, and (iii) the ACH Operator is open for business on such Business Day, excluding Federal Holidays. For purposes of this Agreement, Entries shall be deemed received by the Bank, in the case of hand-delivered files, when received by the Bank at the location set forth in each applicable addendum, schedule, appendix, authorization or other document delivered or made available by the Bank to the Customer to be sent to Customer, and in the case of electronic file transmission, when the transmission is completed as provided in procedures to be sent to Customer.

- c. If any of the requirements of clause (i), (ii), or (iii) of Section 5(b) are not met, the Bank shall use reasonable efforts to transmit such Entries to the ACH Operator by the next deposit deadline on which the ACH Operator is open for business.
6. On-Us Entries. Except as provided in Section 7, in the case of an Entry received for credit or debit to an account maintained with the Bank (an "On-Us Entry"), the Bank shall credit or debit the Receiver's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in Section 5(b) are met. If either of those requirements is not met, the Bank shall use reasonable efforts to credit or debit the Receiver's account on the next Business Day following such Effective Entry Date.
 7. Rejection of Entries. The Bank shall reject any Entry which does not comply with the requirements of Section 32 or Section 4. The Bank shall have the right to reject an On-Us Entry for any reason for which an Entry may be returned under the *Rules*. The Bank shall have the right to reject any Entry if the Customer has failed to comply with its account balance obligations under Section 13. The Bank shall notify the Customer of such rejection no later than the Business Day such Entry would otherwise have been transmitted by the Bank to the ACH Operator, or in the case of an On-Us Entry, its Effective Entry Date. The Bank shall have no liability to the Customer by reason of the rejection of any such Entry or the fact that such notice is not given at an earlier time than that provided for herein. In the event that any Entries are rejected by the ACH Operator for any reason, it shall be the responsibility of the Customer to remake such Entries. Should the file be rejected due to an error caused by the Bank, the Bank shall be responsible for remaking the file. In such case, the Customer will supply sufficient information, as required in Section 25, to allow the Bank to recreate the entries up to five (5) Business Days after midnight of the settlement date.
 8. Cancellation or Amendment by Customer. The Customer shall have no right to the cancellation or amendment of any Entry after its receipt by the Bank. However, the Bank shall use reasonable efforts to act on a request by the Customer for cancellation of an Entry prior to transmitting it to the ACH Operator, or in the case of an On-Us Entry, prior to crediting or debiting a Receiver's account. The Customer shall reimburse the Bank for any expenses, losses, or damages the Bank may incur in effecting or attempting to effect the cancellation or amendment of an Entry.
 9. Notice of Returned Entries. The Bank shall notify the Customer of the receipt of a returned Entry from the ACH Operator no later than one Business Day after the Business Day of such receipt.
 10. Notifications of Change. The Bank shall notify Customer of all Notifications of Change received by the Bank related to Entries transmitted by the Customer no later than two (2) Business Days after receipt thereof. The Customer shall ensure that changes requested by Notifications of Change are made within six (6) Business Days of the Customer's receipt of the information or prior to initiating another Entry to the Receiver's account, whichever is later.
 11. Initiation of Entries. The Customer will send notification that it intends to initiate an entry or entries to a particular account within the time limits prescribed for such notice. After the Customer has received notice that any such notification has been rejected by a receiving bank, or that a receiving financial institution will not receive entries without having first received a copy of the authorization signed by its customer, the Customer will not initiate any entry to such customer, except the Customer may initiate entries after providing the receiving financial institution with such authorization within the time limits provided by the *Rules*.
 12. Reinitiation of Entries. The Customer may not reinitiate Entries except as prescribed by the *Rules*.
 13. Payment by Customer for Entries; Payment by ODFI for Entries.
 - a. The Customer shall pay the Bank the amount of each credit Entry (including On-Us Entries) transmitted by the Bank pursuant to this Agreement at such time on the Settlement Date with respect to such credit Entry as the Bank, at its discretion, may determine.
 - b. The Customer shall pay the Bank the amount of each debit Entry returned by a Receiving Depository Bank pursuant to this Agreement.
 - c. The Bank shall pay the Customer the amount of each debit Entry (including On-Us Entries) transmitted by the Bank pursuant to this Agreement at such time on the Settlement Date with respect to such debit Entry as the Bank, at its discretion, may determine.
 - d. The Bank shall promptly pay the Customer the amount of each credit Entry returned by a Receiving Depository Bank pursuant to this Agreement.
 14. Funds Availability. The Customer will receive immediately available funds for any debit entry initiated by it in accordance with each applicable addendum, schedule, appendix, authorization, or other document delivered or made available by the Bank to the Customer. Funds will be credited to the Clearing and Collection Account or Settlement Account on the settlement date applicable to such entries.
 15. The Account. The Bank may, without prior notice or demand, obtain payment of any amount due and payable to it under the Agreement by debiting the Account(s) identified by Customer per agreed upon procedures sent to Customer, and shall credit the Account for any amount received by the Bank by reason of the return of an

Entry transmitted by the Bank for which the Bank has previously received payment from the Customer. Such credit shall be made as of the day of such receipt by the Bank. The Customer shall at all times maintain a balance of available funds in the account sufficient to cover its payment obligations under this Agreement. In the event there are not sufficient available funds in the Account to cover the Customer's obligations under this Agreement, the Customer agrees that the Bank may debit any account maintained by the Customer with the Bank or any affiliate of the Bank or that the Bank may set off against any amount it owes to the Customer, in order to obtain payment of the Customer's obligations under this Agreement. Financial Information Upon request of the Bank, the Customer agrees to promptly provide to the Bank information pertaining to the Customer's financial condition.

16. Account Reconciliation and Periodic Statement. The periodic statement issued by the Bank for the Customer's Account will reflect Entries credited and debited to the Customer's Account. The Customer agrees to notify the Bank promptly of any discrepancy between the Customer's records and the information shown on any such periodic statement. D. Injunctive Relief.

Customer acknowledges that violation of its commitments regarding the Software, as outlined in Sections 2.4 and 2.5 this Agreement, may cause irreparable injury to Bank and/or its licensors, and agrees that Bank shall be entitled to seek and obtain temporary and preliminary injunctive relief in a court of competent jurisdiction, without the necessity of proving actual damages or posting a bond, to prevent such violation.

2. Customer agrees to deliver to the bank a Check Issued File in a mutually agreed upon format through the Bank's online system each day checks are created by the Customer. Customer agrees to ensure the file is received by the bank in its entirety and resolve any issues with the Check Issued file. Check Issued File will be sent in frequency and time of day to limit exceptions created by missing check issues.
- B. Presented Checks and Exceptions. The Bank will compare each presented check by those details listed in Section VIII A. 1. above against the Check Issue File received by the bank. On each Business Day the Bank:
 1. May pay and charge to the authorized account, each presented check that matches those details provided with any previously received Check Issue Report.
 2. Bank will provide the Customer with an Exception Check Report that indicates whether the bank has received any Exception Checks and, if so, the check number and amount of each Exception Check.
 3. The Exception Check Report will be presented through the Bank's online system each Business Day any exceptions occur by the opening of business. Customer will review and communicate pay/return decisions through this online system by the prescribed timelines. Customer will notify the bank of any check positing errors that require further resolution. Access to the Bank's online system to retrieve reports and account information will be specified by the Positive Pay Authorization Form.
 - C. Customer must notify Bank of all Return Requests or other items requiring resolution by 11 AM Central Time each Business Day according to the provisions.
 - D. Customer will notify Bank in prescribed manner of any checks or check issues that have been subsequently withdrawn from payment, stopped, or voided so they can be resolved within the system. Reconciled check issues will remain in the Positive Pay system for a period of 730 days.
 - E. Exception Checks presented directly to the Bank for cash payment may be referred back to the Customer prior to payment.
 - F. Pay or Return. IN THE EVENT THE CUSTOMER DOES NOT RESOLVE EXCEPTION CHECKS EACH DAY IN THE MANNER PRESCRIBED IN THIS AGREEMENT, the Bank will pay or return Exception Checks in accordance with the default option selected by the Customer for each authorized account included in Customer's instructions to be received later.

 - J. Customer and Bank Communications. Either the Customer or the Bank may submit to the other party a proposed revision of any communication provided for under this Agreement. The revised communication must be sent in its entirety (not in the form of a partial amendment) and will identify the original communication. Once agreed upon by both parties, a revised communication revokes the original. The Bank at its discretion may comply with, but will not be obliged to comply with, any Pay Request or Return Request that is not received in a format, medium, place, or time as previously agreed to by the Bank. The Bank is not responsible for detecting Customer errors in Customer originated communications.
 - K. Remedies
 1. Wrongful Honor. It will be a wrongful honor if the Bank pays an exception item listed in a timely manner on an Exception Check Report unless the Customer issued a Pay Request, or the Customer selected the pay default option and did not issue a Return Request to the Bank. In the event of a wrongful honor:
 - a. The Bank's only liability to the Customer shall be for the lesser amount of the amount wrongfully paid or the Customer's actual damage caused by the wrongful payment.
 - b. The Bank retains the right to assert that a Customer's failure to exercise reasonable care was the cause of a wrongful honor.
 - c. The Bank also retains the right to assert as a defense that the Customer sustained no actual damages due to its wrongful honor.
 2. Good Faith. The Bank will have no liability to the Customer for wrongful dishonor of any check when the Bank acted in good faith, or when the Bank returned an Exception Check that it had reason to

believe was not properly payable, or if there were insufficient funds in the account to pay the check, or if the Bank believes that it is required to do so due to legal or regulatory considerations.

3. Rightful Payment and Dishonor.
 - a. If the bank honors an Exception Check in accordance with a pay default option, or in accordance with a Pay Request from the Customer, such honor will be rightful, and the Customer waives any right it may have under UCC 4-401.
 - b. If the Bank dishonors an Exception Check in accordance with the Customer selected return default option, or in accordance with a Return Request from the Customer, such honor will be rightful, and the Customer waives any right it may have under UCC4-402.
 - c. The Customer agrees that the Bank shall be deemed to have exercised ordinary care whenever it rightfully pays or returns an Exception Check consistent with the provisions of this agreement.
4. Assignment of Claim. To the extent that the Customer suffers a loss under this Positive Pay section of this Agreement, and only if the Bank is not in any loss or potential loss position, the Bank will assign to the Customer any claim that the Bank would have against a depository or collecting bank to recover the loss.

IX. WIRE SERVICE TERMS AND CONDITIONS

This section sets forth the Terms and Conditions of the Bank's Wire Service. It only applies if the Customer has requested, and Bank has approved Customer to utilize the Service.

- A. Authorized Users: Authorized Users are identified in Customer's written or electronic instructions or authorization as authorized by Customer. Transfer Limits are established by Customer at onset of service use and maintained by Customer and Bank based on service utilization. Exposure may be adjusted by Customer upon request by an authorized representative or by Bank as deemed necessary in regular risk evaluation of limit utilization. Bank is not required to notify Customer of limit adjustments.
- B. Wire Transfer Requests: Payment order requests, wire transfer requests, wire transfer instructions, all hereinafter referred to as "Request(s)" may be transmitted from Customer to Bank in the following forms:
 1. Requests via Business Banking Online (BBO): Authorized users will adhere to login procedures and BBO security procedures as outlined in the Business Banking Online section of this agreement. Authorized users will utilize dual control for all Requests as established by Bank based on Customer's authorization form. Customer agrees that online Requests can be extended to any Authorized User through Bank's BBO administration and, therefore, a Request delivered to Bank by means of BBO will be deemed authorized by Customer. If Applicable, instructions for setup of a template to process a request are established in a Business Banking Online Authorization. This template is utilized following BBO login to process the request on demand as determined by the Customer. Customer agrees to verify wire instructions via call back with Bank as deemed necessary by Bank.
 2. Requests via Telephone: Telephone requests shall be submitted by Customer to Bank by an Authorized User utilizing an assigned PIN. All requests received via fax or email from Customer to Bank will be authenticated by PIN via telephone prior to processing.
- C. Security: Any Request may be verified as an authentic Request of the Customer by Bank's use of security procedures. Bank's security procedures may be adjusted on demand as deemed necessary by industry standards or relevant risks. Customer agrees security procedures are commercially reasonable in the context of Customer's operations, requirements, and internal procedures. Customer agrees to safeguard security procedures and restrict access to only Authorized Users per agreed upon written or electronic instructions. Customer expressly agrees to be bound by any Request, whether authorized or not, issued in Customer's name and accepted by Bank in compliance with the security procedures.
 - a. The Customer is strictly responsible for establishing and maintaining commercially reasonable security measures to safeguard against unauthorized transmissions, network infections, and breaches of Protected Information (i.e., non-public data). The Customer warrants that such measures will include, but not be limited to, security technology (e.g., secure web-servers) that provides a commercially reasonable level of encryption technology for the entry and transmission of Requests over the Internet, and network security to safeguard account information and access from unauthorized parties. Additionally, the Customer warrants that no individual will be allowed to initiate a Request in the absence of proper supervision and safeguards, and agrees to take reasonable steps to maintain the confidentiality of security procedures and any passwords, codes, security devices and related instructions provided by the Bank in connection with the security procedures detailed in each applicable addendum, schedule, appendix, authorization or other document delivered or made available by the Bank to the Customer to be sent to Customer. If the Customer suspects that any

information or instructions are accessed by unauthorized persons, the Customer will notify the Bank immediately. The occurrence of unauthorized access will not affect any Requests made in good faith to Bank prior to receipt of notification and within a reasonable period to prevent unauthorized Requests.

- b. Customer agrees to verbally verify all wire instructions and details with beneficiary prior to transmitting Request to Bank for any new wire instructions or for any instructions that have changed since a prior transmission. Customer agrees to hold Union Bank and Trust Company harmless from and against all liabilities or losses as a result of any Request by Customer to Bank.
- D. Source of Payment: The source of payment for each Request issued by Customer to Bank shall be from the originator account number identified in the Request as provided by Customer. Bank shall debit the originator account for all Requests on the date the Request is executed. Unless otherwise noted, the execution date is the date Bank receives Request. If for any reason the Customer fails to provide an originator account number, Bank will debit any one or more of Customer's accounts at Bank as long as payment of the Request from an account of the Customer is not inconsistent with a restriction or use of that account. Bank may, at its discretion, charge the Customer for the Services provided for hereunder by a debit to the originator account, by invoice sent directly to the Customer, or by such other methods as Bank may deem appropriate. Bank shall not be obligated to honor any Request if the amount requested exceeds the collected balance in the originator account.
- E. PIN: Each Authorized User will be assigned a Personal Identification Number (PIN). The PIN identifies the Authorized User who must provide the PIN to initiate a Request, approve a Request, or attempt to cancel a Request. To change the PIN, Customer or Authorized User must provide a written or electronic request to Bank.
- F. Cancellation or Amendment: Customer understands and agrees a Request cannot be cancelled or amended after processed by Bank. Amendments or cancellations must be provided by an Authorized User of Customer to Bank prior to Bank's transmission of the Request.
- G. Cutoff Time: Unless Bank otherwise notifies Customer, the cutoff time on each Business Day for the receipt and processing of Requests is 3:00 p.m. CST. If Bank does not receive Request from Customer before cutoff time, Bank will consider the Request received at the opening of the next Business Day.

X. BILL PAYMENT SERVICE TERMS AND CONDITIONS

This Section sets forth the Terms and Conditions of the Bank's Bill Payment Service. It only applies if the Customer has requested and Bank has authorized Customer's use of the Service.

SERVICE DEFINITIONS

"Service" means the bill payment service offered by Union Bank & Trust Company through CheckFree Services Corporation.

"Agreement" means these terms and conditions of the bill payment service.

"Biller" is the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

"Payment Instruction" is the information provided by you to the Service for a bill payment to be made to the Biller (such as, but not limited to, Biller name, Biller account number, and Scheduled Payment Date).

"Payment Account" is the checking account from which bill payments will be debited.

"Billing Account" is the checking account from which all Service fees will be automatically debited.

"Business Day" is every Monday through Friday, excluding Federal Reserve holidays.

"Scheduled Payment Date" is the day you want your Biller to receive your bill payment and is also the day your Payment Account will be debited unless the Scheduled Payment Date falls on a non-Business Day in which case it will be considered to be the previous Business Day.

"Due Date" is the date reflected on your Biller statement for which the payment is due; it is not the late date or grace period.

"Scheduled Payment" is a payment that has been scheduled through the Service but has not begun processing.

PAYMENT SCHEDULING

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

THE SERVICE GUARANTEE

Due to circumstances beyond the control of the Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

PAYMENT AUTHORIZATION AND PAYMENT REMITTANCE

You represent and warrant that you are acting with full authority for the applying entity, and that you are duly authorized to execute this Agreement on behalf of the applying entity. By providing the Service with names and account information of Billers to whom you wish to direct payments, you authorize the Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Service receives a Payment Instruction, you authorize the Service to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Service to credit your Payment Account for payments returned to the Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Service.

The Service will use its best efforts to make all your payments properly. However, the Service shall incur no liability and any Service Guarantee shall be void if the Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Service about the malfunction before you execute the transaction;
3. You have not provided the Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

PAYMENT METHODS

The Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

PAYMENT CANCELLATION REQUESTS

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

STOP PAYMENT REQUESTS

The Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Customer Service. Although the Service will make every effort to accommodate your request, the Service will have no liability for failing to do so. The Service may also require you to present your request in writing within fourteen (14) days. The charge for each stop payment request will be the current charge for such service as set out in the applicable fee schedule.

PROHIBITED PAYMENTS

Payments to Billers outside of the United States or its territories are prohibited through the Service.

EXCEPTION PAYMENTS

Tax payments and court ordered payments may be scheduled through the Service, however such payments are discouraged and must be scheduled at your own risk. In no event shall the Service be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee as it applies to any late payment related changes is void when these types of payments are scheduled and/or processed by the Service. The Service has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of you and not of the Service.

BILL DELIVERY AND PRESENTMENT

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Service's electronic bill options, you also agree to the following:

Information provided to the Biller - The Service is unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Biller. Any changes will need to be made by contacting the Biller directly. Additionally it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. The Service may, at the request of the Biller, provide to the Biller your e-mail address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

Activation - Upon activation of the electronic bill feature the Service may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

Authorization to obtain bill data - Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.

Notification - The Service will use its best efforts to present all of your electronic bills promptly. In addition to notification within the Service, the Service may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.

Cancellation of electronic bill notification - The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. The Service will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. The Service will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

Non-Delivery of electronic bill(s) - You agree to hold the Service harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

Accuracy and dispute of electronic bill - The Service is not responsible for the accuracy of your electronic bill(s). The Service is only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Biller directly.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

If you permit other persons to use the Service or your password or other means to access your account, you are responsible for any transactions they authorize. If you believe that your password or other means to access your account has been lost or stolen or that someone may attempt to use the Service without your consent or has transferred money without your permission, you must notify the Service at once by calling 855-234-1241 during Customer Service hours.

YOUR LIABILITY FOR UNAUTHORIZED TRANSFERS

If you tell us within two (2) Business Days after you discover your password or other means to access your account has been lost or stolen, your liability is no more than \$50.00 should someone access your account without your permission. If you do not tell us within two (2) Business Days after you learn of such loss or theft, and we can prove that we could have prevented the unauthorized use of your password or other means to access your account if you had told us, you could be liable for as much as \$500.00. If your monthly financial institution statement contains transfers that you did not authorize, you must tell us at once. If you do not tell us within sixty (60) days after the statement was sent to you, you may lose any amount transferred without your authorization after the sixty (60) days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

1. Tell us your name and Service account number;
2. Describe the error or the transaction in question, and explain as clearly as possible why you believe it is an error or why you need more information; and,

We will tell you the results of our investigation within ten (10) Business Days after we hear from you, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your Payment Account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your Payment Account. If it is determined there was no error we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. The Service may revoke any provisional credit provided to you if we find an error did not occur.

DISCLOSURE OF ACCOUNT INFORMATION TO THIRD PARTIES

It is our general policy to treat your account information as confidential. However, we will disclose information to third parties about your account or the transactions you make ONLY in the following situations:
