9. Enter your existing password in the top box along with a new password twice for validation.
10. Select 'Submit'.

The screenshot shows the UBT Union Bank & Trust password reset interface. At the top is the UBT logo. Below it, the text reads "Please set your new password:". A grey box contains "Password Requirements:" with a list of rules: must be 10-99 characters, contain at least 1 number, 1 lower case character, 1 upper case character, 1 special character, not be the same as the last 10 passwords, and not be the same as the current password. Below this are three input fields: "Current Password", "New Password", and "Confirm New Password", each with a "Show" link. At the bottom are "Back" and "Submit" buttons.

11. On future logins you will use the new password and will be required to obtain a new secure code each time.
